ODISHA STATE LEGAL SERVICES AUTHORITY: CUTTACK

Introduction

In compliance with the direction of the Hon'ble Supreme Court of India vide the Order dated 15.09.2017 passed in Writ Petition (Civil) No.406 of 2013 (RE-INHUMAN CONDITIONS PREVAILING IN 1382 PRISONS), and keeping in view the models of study report adopted in Bihar and Rajasthan, a format was developed by the Odisha State Legal Services Authority (OSLSA). As per the said format, the respective District Judges-cum-Chair Persons of all the District Legal Services Authorities, conducted study in respect of the Jails within their local limits on different dates in months of October and November, 2017 and furnished reports regarding the prevailing conditions of the Jails and facilities available therein.

While conducting the study regarding the overall conditions in the Jails and the facilities available, an assessment has also been made regarding the effect and impact of the schemes framed by the NALSA relating to the Prisoners.

Hon'ble the Chief Justice of Orissa High Court and Patron-in-Chief of OSLSA was pleased to set up a Committee under the Chairmanship of the Hon'ble Executive Chairman of the OSLSA with two other Hon'ble Judges as Members for implementation of the directions of the Hon'ble Apex Court. By the order of the Hon'ble Executive Chairman, OSLSA, there was also constituted a Sub-Committee comprising the Registrar General, Orissa High Court, District Judge, Cuttack, District Judge, Khurda at Bhubaneswar and Member-Secretary of OSLSA for the purpose of preparation of a consolidated study report basing upon the individual study reports received from the District Judges.

Basing upon the reports received from the District Judges, and on collation and analysis of the information gathered therefrom, the ultimate study report was prepared vide the accompanying separate sheets.

It may be mentioned here that the report so prepared was placed before and approved by the Hon'ble Judges Committee constituted by the Hon'ble Chief Justice, Orissa High Court, in the Meeting held on 19.12.2017.

Since the study was conducted by the District Judges in respect of different jails on different dates in the months of October and November, 2017, information regarding the population on a particular date i.e. 30.09.2017 was collected from the Directorate of Prisons and Correctional Services, Odisha vide Letter No.23039 dated 21.11.2017 and basing upon the same the over population has been noted vide the above table.

In many of the Jails, the actual strength of the inmates is far less than the scheduled capacity. As on 30.09.2017, while the aggregate population of the prisoners in the State was 16,010 comprising 3,550 no. of convict and 12,460 no. of UTPs, the total accommodation capacity of all the Jails was 16,830. In the circumstance, a pragmatic relocation of the convicts amongst different Jails is necessary to check overcrowding in some of the Jails.

The sole open Air Jail at Jamujhari has only 72 inmates as against the schedule capacity of 125.

(b) Facilities for Children staying with their Mother (Prisoners) in the Jails-

The total population in jails as on 30.09.2017 includes **580 women prisoners comprising 117 convicts and 463 UTPs**. In some of the jails Women prisoners are accompanied by children.

(b) CCTV camera –

In all the jails except the sub jail at Sonapur CCTV camera has been installed at strategic locations. **In Sonapur Sub jail, the CCTV camera though installed, is lying dysfunctional since June 2016.**
